We will learn about different countries and languages, climates and animals, traditions and stories. We will use different modes of transportation, sleep in different kinds of beds, and learn how people even eat with different kinds of utensils. We will listen to music from around the world, and play games that are popular in other countries. In short, we will get a small taste of what it could be like to be a child in different countries.

The class includes 45 minutes of ballet instruction. This summer will cover ballet classics and more modern stories such as Cinderella, The Firebird, and Wizard of Oz.

****BOYS ONLY:** This dance class is for boys 5 years and up, builds muscles and works on the athletic skills necessary for dance and sports. Taught by JP Tenuta, who is the ballet master at the Academy and has not only worked for years as a professional dancer and teacher, but also played varsity basketball at the high school and college level.

*****DANCING MYTHS & FAIRY TALES** is a class designed for 6-8 year olds and has a basis in Ballet. Each week we will dive into the worlds of fantastic myths and fairy tales, and bring them to life with music, costumes, props, and dance. This summer we will explore stories from all over the world, from the story of how the Hawaiian god Maui gets his hook to the tale of Pandora and her box full of troubles! Join us for some magical, mystical fun!
